

LENOIR~RHYNE UNIVERSITY

A Guide towards Admission and Enrollment

1. The first step with Enrollment at Lenoir-Rhyne is to submit all components of the application as indicated under program specific information.
2. Upon submitting all materials, average turnaround time to receive an admissions decision is 5-10 business days.
3. If admitted, the admissions packet received will give detailed instructions on the enrollment process and how to reserve a space in our upcoming class.
4. Upon admission, the \$50 Enrollment Deposit will reserve your classroom space and allow us to proceed with the next steps.
5. If you are interested in financial aid, be sure to file the appropriate paperwork and file the FAFSA at www.fafsa.gov to be considered for loans. Lenoir-Rhyne's school code is #002941.
6. Prior to the start of the semester, you will be provided with additional information about orientation and registration. We will work with you on the appropriate courses with which to start your graduate program.
7. If you are required to turn in immunization information (taking more than 4 hours of day time work as required by state law), please do so in order to be eligible to register.
