

Each institution must develop a Campus Hazing Transparency Report summarizing findings concerning any established or recognized student organization found to be in violation of an institution’s standards of conduct relating to hazing as defined by the institution in their hazing policies. The first Campus Hazing Transparency Report must be released by December 23, 2025, and should include data from July 1, 2025, through its date of release. After which, the Campus Hazing Transparency Report must be updated biannually, from the date on which the report was last published and ending on the date on which such an update is submitted.
