COURSE SELECTION INSTRUCTIONS

In order to explore the courses you would like to take, you will need to keep several things in mind:

1. The Fall 2019 Class Schedule may be viewed via Self Service:myLR at <https://lr-ss1.lr.edu/SelfService/Home.aspx>. Please read on for additional information regarding Self Service:myLR. First-year students should select in-seat or lecture classes (not online classes).
2. When choosing classes, choose from areas you are interested in and which would benefit you most. Use your Registration Worksheet and the other documents to help you make selections.
3. If you plan to participate in athletics, choir, band or an ensemble, please contact your coach or program director before Red and Black Day for scheduling purposes.
4. If you would like more information about courses offered now or in the future, please consult the LRU Course Directory for course descriptions and pre-requisites. This may be found on our website at <https://www.lr.edu/academics/office-of-registrar> via the "Undergraduate Catalog" under Current University Catalog.
