While each organization conducts its own program, they frequently come together as one sisterhood for special programs and events. Every sorority woman is a member of the Panhellenic
Association. The Executive Council is elected from a slate of nominees representing the various women’s Greek organizations. Information regarding immunizations is detailed on the LR Student Medical Record. This is available online on LR’s Student Health Services webpage.

Health Insurance

LRU does not offer a basic health insurance plan for purchase to “domestic” undergraduate or graduate students. LRU highly encourages all students to have personal health insurance.

The only health insurance plan that LRU offers is for international students. International students are required to take the international student insurance provided by Lenoir-Rhyne. The costs for fall and spring semesters will be updated each year and posted on the LR website. This coverage may be waived only by providing timely proof, in English, of coverage equal to or better than the coverage provided by Lenoir-Rhyne. Important: This is not a major medical health plan. The benefits are very limited.
Immunizations

All students taking 4 or more credit hours per semester must submit required immunizations per state law. Additionally, some academic programs have additional immunization requirements. Information regarding immunizations is detailed on the LR Student Medical Record. This is available online on LR’s Student Health Services webpage at https://www.lr.edu/student-life/cornerstone. Click the Health Form button.

Information Center

The campus Information Center is located in the Cromer Center. The main University telephone number is 828.328.1741. On-campus calls to offices and residence halls may be made by dialing the extension number directly. If the extension is unknown, call x7696 (or 828.328.7696 for off-campus calling) for name dialing. Dial “9” to secure a line for a local or toll free number. Dial “0” to reach the University Switchboard. The Information Center is also known as the “Fish Bowl”.

Library

The library provides information resources to support student learning and services to facilitate the effective use and sharing of these resources. On the Hickory Campus, in addition to the Carl A. Rudisill Library, students are served by the Music Library and the Alex Lee Career Center Library. Our collection includes a large array of electronic resources in addition to books, periodicals, DVDs, CDs, and other formats. Electronic resources are available 24/7 from either on or off campus. Complete information about library collections, services and hours can be found on the library’s website: http://library.lr.edu. Librarians are eager to assist students with locating and evaluating information resources; one is available most hours the library is open. You may contact a librarian at the reference desk, by using the IM feature on our web pages, by emailing refdesk@lr.edu, or by calling the circulation desk at 828.328.7677. When the resources needed are not found at Lenoir-Rhyne, the library can borrow materials from other libraries on your behalf. Librarians also meet with classes or individuals to provide in-depth instruction tailored to course assignments.

To check out materials from the library, students present a current valid ID card. Most books may be borrowed for one month; curriculum lab and juvenile materials circulate for one week. Most audiovisual software and hardware may be checked out; software circulates for one week and equipment for one day. Reserve materials circulate for shorter periods of time, varying from a few hours to three days. Materials may be renewed in person, by calling the circulation desk at 828.328.7677, or through the “My Account” feature of the online catalog. There is a fine of $.25/day per item for overdue books and most other materials. The late fine for reserve materials is $.25 per item per hour. If materials have not been returned after several notices, students are billed for replacement costs, associated fees, and accumulated fines. Policies on fines and replacement charges are always posted on the library website.

Living Well Center for Vocation and Purpose

The Living Well Center for Vocation and Purpose strives to engage students, faculty, and staff in the ongoing discernment of vocation and purpose. This, of course, includes but also goes far beyond the search for the right career path. Vocation is a call to a life of meaning and purpose, which is expressive of a person’s talents and passions, and characterized by continual self-reflection, service to others, and broad-based study and experiences.

Vocation is more than one’s personal or professional goals. It gives purpose to one’s future and makes meaning of one’s past. Vocation is built upon core values but also upon relationships both in and to the
world. The search for one’s vocation is the search for a life that is fulfilling and makes the world a better place. The Living Well Center is located in Rudisill Library - Rooms 227 & 228.

Lohr Learning Commons

Located on the 2nd floor of the Carl A. Rudisill Library, the Lohr Learning Commons draws together a suite of academic services, learning and computer labs, co-curricular programs, and enrichment opportunities that support and enhance the educational pursuits of Lenoir-Rhyne students. Opportunities for tutoring and group study groups are available as well as the University Study Hall program. Our vision is to provide the most comprehensive and effective academic support to our student body. We accomplish this task by (HELP):

- Helping students’ adjust maladaptive study habits, techniques and strategies to foster greater collegiate academic success;
- Equipping students with useful resources that will positively impact their academic success;
- Leveling professor/student classroom expectations;
- Partnering with students for maximum academic success.

Mathematics Tutoring Lab

The Learning Commons Mathematics Tutoring Lab is for students in need of extra help in math. Staffed with student and graduate tutors who can help with first and second year math courses as well as many upper division classes, the Mathematics Tutoring Lab also contains reference materials, solutions manuals, and math software in the adjoining CS tutoring lab.

Religious Life

Lenoir-Rhyne is affiliated with the Evangelical Lutheran Church in America and is committed to a particular expression of the Christian faith. The University also provides opportunities for individuals from various Christian traditions to extend their involvement in and to deepen their commitment to their faith. Many Christian denominations (and other religious traditions) are represented within the student body. Both denominational and interdenominational religious groups offer students opportunities for fellowship and spiritual growth. The University Pastor serves as a spiritual leader to the university community, a counselor to the students and faculty, and coordinator of religious activities.

A weekly chapel service is held each Wednesday from 10 a.m.-10:40 a.m. in Grace Chapel to provide members of campus community an opportunity to share in prayers, praise, and thanksgiving. Student groups, faculty, and athletic teams are not to have meetings, classes, or practices during Chapel time. Also, a daily celebration of the Holy Eucharist (communion) is offered at 3:00 p.m. (Monday-Friday) in Grace Chapel. All students and staff are prayed for by name each week by the Pastor and prayer partners. A Bible study is led by the University Pastor each Thursday evening at 10:00 p.m. in the Cromer Center. Students are welcome at all area churches.

Speech Lab

Public speaking is frequently cited as a biggest fear for many people. Presenting to an audience can be intimidating at any experience level, but it doesn’t have to be. The Speech Lab offers a wide range of services to assist you in your speech needs. The lab offers aid to both students and faculty to help improve upon assignments, speeches, and class or job presentations. The Speech Lab can help you refine your arguments, organize your thoughts, and improve your delivery. Speech Lab appointments can be made by calling the Lab at
828.328.7531 during open hours or by emailing the Speech Lab at lruspeechlab@gmail.com (48 hours advance notice needed for email scheduling). Walk-ins are welcome if the tutor is available. The Speech Lab is located on the 2nd floor of the Rudisill Library.

**William & Robert Shuford Center for International Education**

The William & Robert Shuford Center for International Education (SCIE) initiates and supports events and programs that contribute to global education at LRU. The SCIE assists international exchange students when they come to LRU for a semester or year. The department also facilitates the process for LRU students who wish to study abroad. The Shuford Center is located in the Rudisill Library, Room 202.

**Writing Center**

The Writing Center is located in the Lohr Learning Commons in Rudisill Library, 2nd Floor. The Lenoir-Rhyne Writing Center offers free, confidential assistance with writing to students in all disciplines. Students who visit the Center have the opportunity to receive assistance with their writing from specially trained undergraduates or faculty members. In addition, the Writing Center conducts a series of workshops on writing for students and workshops for faculty development. Free handouts on the writing process and writing in various disciplines are also available upon request. Students may contact the Writing Center to arrange for an appointment or may walk in during regularly scheduled hours when consultants are available.

**Additional Campus Services**

**Check Cashing**

The Business office will cash checks Monday-Friday between the hours 8:30 am – 5 pm. They will cash L-R university work study checks, checks payable to student from his/her family, checks up to $50 from a student’s personal account payable to “LR Petty Cash”, LR Expense Reimbursement up to $50, and LR travel advance checks up to $50. **Commuting Student Services**

Commuting students are strongly encouraged to participate in the community. Commuting students often have concerns and needs related only to them. Students are encouraged to use the Cromer Center, The Cave, Dining Services, Joe’s Coffee Shop, and the Bears’ Lair (among other locations) while on campus. These locations provide comfortable locations to relax, study, and meet other members of the campus community. Two commuter students are elected each year to serve on the Executive Cabinet of the Student Government Association (See SGA By-Laws, Article III, Section 2). Commuters are strongly urged to communicate with their representatives and to share ideas at called meetings. While the Student Health Service is established primarily for use by residence students, the SHS staff will provide medical attention to commuting students in the event of an illness on campus.
**Emergency Phones**

Emergency phones are located at the entrance to the 7th Ave. NE Parking Lot, in the Stadium Parking Lot and in front of each residence hall. All emergency telephones will give direct access to the security officer on duty and permit the caller to dial 911.

**Housekeeping**

Housekeeping is responsible for the upkeep of the interior of our buildings. Housekeeping staff work in the public areas including lounges, hallways, community baths and laundry rooms.

**ID Cards**

All new students receive one free ID card. Any lost or stolen ID card must be reported to the Information Center so that a replacement card can be issued. **ID cards must be carried at all times and be presented upon request by any University Official.** Students are required to have their ID card to use Workout facilities. It is very important to keep the ID card’s secure to prevent theft.

**Motor Vehicle Registration**

All students, faculty, staff of the University who operate a motor vehicle on the campus are required to register the vehicle with the Security Office. **The cost to register a vehicle is $40 for the first vehicle and $5 for each additional vehicle.** Parking decals must be renewed each school year on or before 8/31. The Security Staff publishes a brochure that outlines the regulations and pertaining to use of vehicles on campus as well as a list of fines for violations of these policies. This information can also be found at the LR website.

For most traditional and graduate students parking decals are purchased/issued online through Permit Express or can be purchased in the Cromer Center at the Information Desk. A link to the Permit Express site can be found on the LR portal. There is also information/directions on how to obtain a parking decal on the #LRbound webpage.

- Student’s Name
- Box XXXX, Lenoir-Rhyne University
- Hickory, North Carolina 28603

Mailboxes are located adjacent to the University Bookstore and are assigned by the Bookstore staff. All full-time residential students should report to the University Post Office for the assignment of a mailbox. Students may retain their same boxes from year to year provided that they make their advanced tuition payments by the announced deadline each year and turn in a mail forwarding card to the post office.

**Storage**

Unfortunately, there is no provision for storage on campus other than in someone’s individual residential room. Once the academic year is complete, all items must be removed from residential rooms.
Student Center

The Voigt R. Cromer University Center is the hub of campus activities for students, faculty, staff and alumni. The exercise of common courtesy and good judgment will help to make the Cromer Center an inviting place.

- All posters/signs hung in the Center (or around campus) must be approved by the Office of Student Life.
- Skateboarding, using roller skates/blinges, and wearing cleated shoes are not permitted.
- Bicycle parking/storage inside the Center is not permitted. Outside racks are available.

Contact the Event Services Manager for additional information regarding the policies and procedures governing the Cromer Center.

TTY’s are located on 2nd floor, Rhyne lobby, Library, Living Learning Center, Cromer Center, Admissions, and Pastor’s Office.

Long Distance Relay Calls: To place calls locally, there is no charge for dialing the toll-free number for RELAY. Anyone using RELAY to place a long distance call from LR will need to inform the operator about how to bill the call at the time the phone number is given to the operator. Long distance RELAY calls from LR can only be placed by using a calling card or credit card.

Using Email

An e-mail account is provided to all students at LRU as the primary means of communication among community members. Lenoir- Rhyne partners with Google’s Gmail to provide student email accounts. Your account is defined by your user name, which is assigned by the IT department. The IT office will also assign your password, which may be changed at a later date. It is very important to check your email on a daily basis during the academic year.

Once you have obtained your email account information, go to http://mail.google.com/a/lr.edu/ and follow the instructions for logging in and activating your account.

Special Note: It is of utmost importance that students maintain anti-virus software on their personal computers. IT does not service student computers. Therefore, should a student’s computer be disabled by a virus, he or she will need to take it to an outside company for repair. For any IT related issues or questions, please contact the Help Desk at 828.328.7350 or toll-free at 866.520.2459. The Help Desk is available 24 hours per day, seven days per week.
Vending Machines

Vending machines with snacks and drinks are located in most academic buildings and the Cromer Student Center.

SECTION 4: GENERAL CAMPUS POLICIES

When becoming a member of any community, you are given many rights as well as responsibilities. Lenoir-Rhyne University’s community of learners is no different. We all have to work together to maintain a campus culture that is inviting and engaging. As such, the University has developed a set of general campus policies to ensure that all students, faculty, and staff members are respected and valued, yet safe. Other University-wide policies are listed in the full version of the University Handbook.

Convocation Requirement for Undergraduate Students

Lenoir-Rhyne University’s Convocation Experience is designed to meet the various goals of the institution’s mission through educational opportunities beyond the traditional classroom. As a graduation requirement for all students enrolled full-time in a traditional program, these diverse experiences promote life-long habits of learning and reinforce Lenoir-Rhyne’s unique mission to develop the whole person, to liberate mind and spirit, to clarify personal faith, to foster physical wholeness, to build a sense of community, and to promote responsible leadership for service in the world.

Students meet the requirements for the program through verified attendance at a series of convocation events among a variety of lectures, fine arts productions, workshops, student activities, and other events. In total, students must complete at least ten (10) “experiences” during an academic year (fall and spring semester combined). Students are required to attend the opening President’s convocation and the final Honors convocation and to attend and/or participate in at least one experience from each of the eight categories.

The Convocation program is a graduation requirement for all full-time traditional students and, like other academic expectations, all experiences must be completed and verified prior to graduation. This policy applies every semester the student is enrolled full-time (twelve hours or more). If, during an academic year, the student is full-time in only one of the two semesters, the requirements for that year will be attendance at the campus-wide convocation during the semester in which s/he is a full-time student and at least four other convocations, chosen from four different categories.

If a student misses the opening President’s convocation, three (3) additional convocation requirements will be added to the current year’s requirement. If a student misses the closing Honor’s convocation, three (3) additional convocation requirements will be added to the following year’s requirements. (If the student intends to graduate during the academic year/semester in which s/he misses either of these convocations, the accrued requirements must be completed during the same year.) Should a student not complete the eight choice experiences by the end of the academic year, additional convocation requirements will be accrued equal to the number of experiences not completed and applied to the
Absences from either of the required convocations (opening and final honors) due to illness or other extenuating (emergency) circumstances must be verified by official documentation and approved by the University Convocation Committee.

A calendar of convocation events is provided to students at the beginning of each semester and updated regularly throughout the term on the University portal. Students are strongly encouraged to attend and/or participate in other campus-wide forums and chapel experiences beyond these minimum expectations.

In meeting convocation requirements, these events and/or experiences may not carry any credits toward meeting other academic requisites. These additional experiences must be satisfied by completing **one experience from each of the eight categories**.

1. **Intellectual Development**, which focuses upon expanding students’ understanding of the world through exploring various scholarly topics and/or contemporary issues from the academic perspective;
2. **Creative Development/Expression**, which seeks to enhance, through attendance and/or participation, an appreciation of the visual and performing arts;
3. **Cultural Development**, through which students explore and/or experience intercultural and/or international issues;
4. **Professional Development**, which focuses on developing personal life skills, leadership abilities, or professional competencies or opportunities;
5. **Health and Wellness Development**, which cultivates students’ emotional/social development, and/or fosters physical well-being and healthy living;
6. **Spiritual Development**, which promotes attentiveness to issues designed to deepen one’s understanding and/or clarify matters of personal faith; and
7. **Community Service and Awareness**, which cultivates a spirit of community involvement, through service to the broader campus or local community and awareness of service initiatives, needs, and volunteer opportunities.
8. **Vocation Discernment**, which encourages students to explore questions of vocational discernment.

**SECTION 5: SPECIAL CAMPUS POLICIES**

There are certain policies and guidelines that must be adhered to by **all** students so that everyone may live comfortably and safely in the university community. Please remember that all students are obliged to obey federal, state, and local laws. This section includes, but is not limited to, policies on grade appeals, Title IX, and Sexual Misconduct.

(See the full version of the University Student Handbook, *The Cub*)
SECTION 6: RESIDENCE LIFE

The Residence Life Office and its student and professional staff strive to enhance the total development of students as individuals and as members of a community, recognizing residence hall living as an integral part of the total educational process. The residence hall environment allows and encourages you as students to create a community that permits you to explore your own perspectives and your relationships with others through living and learning opportunities.

Housing Requirements

Residency Requirement

Lenoir-Rhyne University has a three-year residency requirement, meaning that all full-time undergraduate students must live on-campus during the first three years of their academic career. All full-time undergraduate transfer students must live on campus 1-3 years depending on the amount of academic credit accepted by Lenoir-Rhyne. All students wishing to move off-campus (even if they meet one of the criteria listed below) must complete an Off-campus Housing Application/Verification form, which can be retrieved online or from the Office of Student Life.

However, a student can be exempt from the residency requirements, if they meet one of the following criteria:

- Senior status AND have lived on campus for at least 3 years
- Are 22 years of age or older (on the first day of academic class) for fall/spring semester
- Are married (must provide marriage license)
- Have dependent children (as defined by Federal Regulations); must provide birth certificate(s)
- Plan to live with a parent and/or legal guardian within 25 miles of campus. (must provide notarized proof and parent or guardian’s driver’s license with legal address. See Off-Campus Housing Application for details)
- Independent of all parental financial support for tax purposes: must provide appropriate tax documentation
- Are a veteran with one or more years of active military service (must provide copy of separation papers)

If space permits, other non-traditional aged and graduate students may be provided housing. Students enrolled part-time are allowed to live on campus as space is available; however, preference will be given to full-time students. If a student’s enrolled credit hours for a particular semester drop below full time status, the student may be asked to move out of the Residence Halls. On campus housing requirements may be changed or adjusted with appropriate notice of such changes/adjustment given to the students. All undergraduate students residing on campus are required to purchase a residential board plan.

Residency Requirement Appeal Process

In the event that a student does not meet one of the above requirements, but is still requesting to live off-campus, an appeal may be filed with the Office of Student Life. Reason(s) for appeal may include unforeseen financial burden, medical need, or other concern with serious impact on the student and their ability to successfully remain at Lenoir-Rhyne.
All appeals for a given semester will be reviewed by a committee comprised of the Assistant Provost/Dean of Students, Director of Residence Life, Director of Financial Aid, Director of Counseling Services, and Director of Student Success and Retention. The Appeals Committee will review all applications and make the final determination as to whether or not the appeal will be approved. The committee will meet at the end of September and the beginning of November each year to review all Spring semester Off-Campus Housing appeals. The committee will meet at the end of February and the beginning of April to review all Fall semester Off-Campus Housing Appeals.

All applications must be submitted and approved prior to confirming any off-campus housing arrangements. **Any student living off-campus may have his/her financial aid adjusted.**

Any questions regarding the Off-campus Housing Application or Appeals process should be directed to the Director of Residence Life in the Office of Student Life.

**Contract**

The Residence Hall contract is for the entire academic year, up through the end of spring semester. The Residence Hall contract obligates the student to live in the Residence Hall for the entire academic year, or if entered into after the start of the Fall Semester, for the remainder of the academic year. Summer term is regarded as a separate agreement.

Students may occupy an assigned space from the date designated as the official opening of campus housing to the date designated as the official date and time of the Residence Hall closing. Residents are to vacate their rooms no later than 24 hours after one's last exam each semester. Graduating students residing in the Residence Halls will be provided housing through commencement without additional charge.

**Deposit**

A Residence Hall deposit of $150 will be assessed when the student signs up for a room for the first time. This is a one-time charge unless the balance falls below 0. This deposit is refundable after a student ceases to rent a Residence Hall room. Any fines and charges are billed separately and are not deducted from the deposit.

**Termination of the Contract**

If, for any reason, enrollment at the University is terminated during the course of an academic term, the resident must vacate the assigned room and Residence Hall within 24 hours. Similarly, if the University decides to terminate the Residence Life Contract for disciplinary reasons, the resident must move out of the assigned room and Residence Hall within 24 hours; however, all charges will still apply. Violations of Residence Hall or University policies are considered sufficient grounds for immediate termination of the Residence Life Contract and removal from the Residence Halls.

**Room Assignments**

The University will not discriminate in room/hall assignments. The Residence Life Contract is for residence in campus housing and not for a particular accommodation, room, hall or roommate; however, consideration is given to students‘ preferences and requests. The University reserves the right to assign roommates and/or to change room or hall assignments, including consolidation of occupancy as spaces are vacated. Students must be registered for classes in order to be assigned a room.
Room Changes

Students are allowed to make room changes at identified times. These dates are publicized through the Residence Life Staff. Students desiring to move to a new room must follow procedures as directed by the Residence Life office to formally change rooms. A student making an improper room change is subject to a fine and may be requested to return to the appropriate assigned room. The Residence Life Office must approve all room changes. When a student is living alone in a double room, the University reserves the right to assign a second occupant to that room or to charge the student a single occupancy fee. If one of the occupants of a room moves out or fails to enter LR as planned, the remaining occupant must:

- Accept another roommate, if the University has one to assign;
- Select a new roommate;
- Move into a new room in the same Residence Hall with a student who also does not have a roommate;
- Pay the additional cost to keep the room as a single room. This option may not be available if other students are in need of campus housing. Note: Residents without roommates may be reassigned to another room.

Room Sign-Up for Returning Students

Returning students have the opportunity during the Spring Semester to reserve a room for the following academic year. Procedures for the room selection process are posted and distributed to students prior to the process.

Single Rooms

Private rooms are offered in the University’s upper-class residence halls on a space available basis. A student living in a single room pays an additional fee. All of the room furniture must remain in the room, including the second bed.

**Residence Hall Staff**

*Resident Director (RD)*

RDs live in an apartment in the Residence Hall and are responsible for the administration of the residence halls, including supervision of the RA staff, advisement of the Residence Area Council (RAC) and the monitoring of various activities. It is the responsibility of the RD to develop and maintain a living environment conducive to the educational and personal growth of the residents in the hall. The RD facilitates and coordinates an ongoing program of social, recreational, and other events for the Residence Hall.

*Resident Advisor (RA)*

RAs are usually the first residence life staff person that residents meet. RAs are undergraduate students who have been selected and specifically trained to assist residents within the halls. RAs are a vital link between their peers on the hall and the Residence Life Office as well as other departments around campus. RA responsibilities include: Helping to develop a sense of community on the hall through social events, educational opportunities and other activities; informing residents about events happening on campus; enforcing University and residence hall policies; acting as peer counselors; and assisting professional staff in crisis situations.

**Residence Hall Services**

*Campus Network*

All residence halls have data jacks to connect student-owned computers to the campus network. This connection will provide access to the Internet, intranet, LAMP and e-mail. Students are responsible for their own network card, software configuration, and a CAT-5 cable (not a telephone cable) to connect their computer to the network. Questions regarding the campus network should be directed to the IT Help Desk at ext. 7350.

*Housekeeping*

Housekeeping is responsible for the upkeep of the common areas of the Residence Halls such as lounges, hallways, community bathrooms, and laundry rooms. Residents have a responsibility as a member of the community to assist in keeping the common areas of residence halls clean. Residents are responsible for cleaning their rooms and suite bathrooms.
Maintenance Repairs

Requests by students for repairs to residence hall rooms and furnishings must be made online at http://reslife.lr.edu/ (click on maintenance request link). Small problems are usually corrected within two working days. If a problem has not been corrected in a reasonable amount of time, notify the RA or RD.

Television

At least one television cable outlet is provided in each apartment or Residence Hall Room.

Vending and Laundry Machines

Laundry machines are located in the Residence Halls and can used free of charge. Any maintenance issues related to these machines (vandalism to machines or inoperable machines) should be reported to a Residence Life Staff member.

Residence Hall Policies

To maintain order, security, and safety within each residential area and room, the Office of Residence Life has developed a set of policies and guidelines for behavior and to enumerate the opportunities to enhance your living space.

Any electrical appliance that operates on other than 110 volts A/C, or uses more than 1600 watts, is not allowed. Students residing in residence halls with or without air conditioning may bring fans but not window unit air conditioners. Due to health and safety concerns (potential fire hazards, possible damage to property, insects, rodents, etc.) student may not have open coil or open flame ranges. Specifically, appliances such as hot plates, deep fryers, woks, rice steamers, electric skillets, toaster ovens, sun lamps, oil-based popcorn poppers, electric heaters, halogen lamps, answering machines or ceiling fans are not permitted. Appliances should be plugged directly into a wall outlet or into a UL approved power strip/surge protector. The power strip must be plugged directly into the wall outlet. Power strips cannot be plugged into extension cords or into other power strips. Multi-plug outlets are not permitted in the residence halls.

Bicycle Policy

Vehicles with gasoline engines (including motorized bicycles) may not be kept inside any Residence Halls or near any campus building per fire code. Bicycles may be stored inside residence hall rooms, or locked up outside on appropriate rack. Bicycles are not to be placed in hallways, stairwells, entranceways or blocking exits of Residence Halls.

Breaks in the Academic Calendar*

Lenoir-Rhyne recognizes the following breaks and holidays: Christmas and Spring Break. Residents who need to remain on campus during a break, due to a University-related activity or extenuating circumstances, must complete a “Permission to Remain on Campus” form and obtain approval from
the Director of Residence Life. These forms are available from the Dean of Students Office. Break opening and closing times are posted in the halls. (Additionally, food is typically not provided during Fall Break, Thanksgiving Break, and Easter Break.)

The campus will close for Christmas Break and all non-graduating residents must vacate their rooms within 24 hours of their last exam. All graduating students must vacate their rooms by 12:00pm (noon) the day after the graduation ceremony. Parents and students should make travel arrangements well in advance so that students may leave the halls by the required time.

Before leaving, students must: clean, defrost, and unplug refrigerators; turn off the heat and air conditioning; unplug all appliances; close and lock windows; close curtains/shades/blinds; empty trash from room; take all valuables with them; turn off all lights; lock room door. Fish tanks must be removed during Christmas and Spring Break. Residence Hall staff conducts room checks following all Residence Hall closures.

Candles & Incense

Decorations with open flames such as candles, wick lamps, incense, etc., are prohibited in Residence halls and apartments.

Check-In

Residence Halls open for returning students in the fall semester on the Saturday prior to registration of classes. Residence Halls open for spring semester on the Saturday prior to registration for classes. Only residents who have received advance approval from the Director of Residence Life or are listed on an official roster for LR business or activities may move into the residence halls prior to the official opening day of the residence halls each semester. Students who move in early without advance approval will be charged a per day rate. Upon moving into the residence hall, residents will receive a “Room Condition Form”. It is the resident’s responsibility to inspect the room carefully and notify a Residence Life Staff member of any discrepancies between the actual condition of the room and the way it is described on the check-in form. Residents will be held responsible at the end of the year for damages not recorded at the time of check-in.

Check-Out

Anytime a resident changes rooms or moves out of a residence hall, the resident must formally check-out with a Resident Advisor or Resident Director. Failure to check-out of a residence hall room will result in the resident being assessed a fine of $25.00 for improperly checking-out of the room. The correct check-out procedure is as follows:

1. Make an appointment with the RA or RD to check out.

2. Check out at your scheduled time.

3. Check out in person with the RA or RD.

4. Before checking out, all personal belongings must be removed from the room.
5. Before checking out, make sure to:

- Remove tape, nails, etc. from walls, doors, ceilings, windows, and bulletin boards
- Empty and clean closets, cabinets, drawers, and recycle bins
- Clean tops of desks, dressers, and shelves
- Vacuum/sweep (under beds, also)
- Empty trash
- Close and lock windows
- Isenhour, LLC, 4th Street Apt, Hickory House, and Price Village: clean bathrooms
- Return all University room furniture to its original position

6. Failure to leave the room in a clean condition will result in a fine for cleaning the room.

7. A staff member inspects the room and compares its condition with the description on the check-in form. Fines will be assessed for damages determined to have occurred during the school year.

8. Personal property left or abandoned by a student in the Residence Halls at the close of the spring semester or following the termination of the LR Housing Contract becomes the property of Lenoir-Rhyne University. Residents will be assessed a fine if personal property is left in the room after the resident has checked out of the room.

9. If one or both residents of a room do not accept responsibility for damage in a student room, both occupants of the room will be fined.

10. The RD will recheck all rooms after students have checked out. Any damage found at that time not noted at the time of checkout will be assessed to the occupants of the room.

11. Bills for Residence Hall damage cannot be disputed after 30 days from the issue date of the billing letter.

Children

Infants and children are not permitted to live in the residence halls. Because of liability concerns, noise and safety issues, babysitting in the residence halls is not allowed.

Conduct of Guests

All student guests are expected to comply with University regulations set forth in the Student Code of Conduct, as well as local, state, and federal laws. Students will be held accountable for their guests’ behavior. Guests may also be banned for campus property if their behavior violates University policy.

Damages to Student Rooms and Common Areas

The Resident is responsible for all damages taking place in the room during the time of assigned occupancy. Any damage that occurs as a result of negligence, vandalism, or horseplay will be charged to the resident(s) of the room. This will be the case even if another party allegedly causes the damage. Residents of a floor or residence hall may be required to share the expense of repair or replacement of any property in areas commonly used by residents and their guests, if the individual(s) responsible for the damage cannot be determined. The common areas include all public areas, such
as hallways, stairways, laundry rooms, restrooms, and lounges. Because each residential hall, house, or area is a community, residents are responsible for damages to common areas even if they are not present at the time of the damage. The university retains the right to determine whether repair or replacement of damaged articles is necessary, the amount of the damage charge and the amount of the disciplinary fine, if any.

Decorating, Hall and Room

Students are allowed to decorate their room in any way that does not permanently alter the room (i.e. using posters, rugs, plants, etc.) Large cloth objects (fishnet, parachutes, flags, etc.) and posters are not permitted to be hung from or across the ceiling for fire safety reasons.

Students are not permitted to dismantle any University furniture, attach anything permanently to the walls, ceiling, or doors (including lofts, bunk beds, bookcases, wallpaper, and glued corkboards), paint walls or baseboards, trim furnishings, doors or anything metal. Double-sided foam mounting tape is prohibited due to ensuing damage to walls and doors. Students are not permitted to modify their room in any way that includes installing wallpaper, wallpaper borders or contact paper on walls or fixtures within the room. Students cannot hang anything from ceiling pipes or electrical conduits.

A fine may be assessed if a room contains an extreme number of nail holes, tape scars, cracked plaster, etc. from mounting posters, plaques, pictures, etc. on the wall. Wood paneling, bookshelves, etc. may not be attached to room walls. The following rules must also be observed:

- Small string white lights that are non-heat producing may be used in a room or around an individual doorway. Do not string lights up and down the entire hall. Larger string lights that produce heat are not allowed.
- Room doors may be decorated but room numbers must remain visible.
- Exit lights and fire extinguishers must always remain visible.
- Fire doors must remain free of paper and any obstruction at all times.
- Nothing may be hung from or in the way of fire alarm equipment.
- Nothing may be hung outside of the window in a resident’s room.
- No live or previously live greenery (Christmas trees, garland, etc.) except regular house plants are allowed. Decorations in common areas as well as in residents’ rooms must not interfere with emergency exiting at any time.

Electrical Outlets

By order of the Fire Marshal, approved appliances should be plugged directly into an outlet or into a UL approved power strip with a built-in surge protector. Posters or wall hangings must not cover outlets. Each Residence Hall room has a 1600 watts maximum usage current. If more than 1600 watts are being used at one time, the breaker will “trip”, power will be lost, and the room is a fire hazard. Since there is the potential for a fire in the residence halls when all or many appliances are being used at the same time in each residence hall room, do not turn on all appliances in a room at the same time. This includes, but is not limited to: TV’s, refrigerators, microwaves, computers, hair dryers, and curling irons.

Entrance Door Locks

The entrance doors to Hickory House, 4th Street Apartments, Fritz-Conrad, Isenhour, Morgan, Living-Learning Center, and Price Village are controlled by a card access system. The student ID card serves as the access card for a student’s assigned residence hall. Lost or stolen ID cards should be reported to Security immediately so that a replacement card can be issued.
Any student found gaining or allowing unauthorized access to a campus building may face Disciplinary Suspension. For the safety and security of everyone in the building, DOORS MUST NOT BE PROPPED OPEN.

Entry into Student Rooms

Residence Halls and Residence hall rooms may be entered for inspection by approved Lenoir-Rhyne officials at any reasonable time for:

- Safety and Maintenance checks.
- Maintenance on University property within a residence hall room.
- Reasonable belief by staff that University policies are being violated.
- Emergency conditions such as fire or threatening weather.
- Closing or locking doors or windows prior to the closing of the building.

A resident’s room may be searched under normal circumstances, with reasonable cause, by a University official who has received authorization from the occupying student, Assistant Provost/Dean of Students, and/or the Director of Residence Life. The search may include, but is not limited to, opening drawers, closets, and refrigerators, examining furnishings and personal effects, and searching an adjoining bath/suite. In a crisis/emergency situation, other University officials may enter student rooms with no search warrant or notice given for emergencies such as:

- Incident to and following a lawful arrest;
- For and in the pursuit of a fleeing dangerous criminal suspect;
- Under urgent necessity (i.e. persistent loud screaming);
- Necessary to prevent loss of or destruction of an item to be seized;
- Searching for missing University property.

In any room inspection/search, illegal drugs, alcohol, weapons, or other items which violate University policy or civil law may be confiscated by those conducting the search and disciplinary action may result.

Explosives and Weapons

The possession or use of fireworks, explosives, and weapons of any kind is prohibited. Weapons include, but are not limited to, darts/archery equipment, hunting equipment, b-b guns, chemical explosive devices, etc. See “General Campus Policies” for more information.

Fire Safety

Fire is not permitted inside any Residence Hall, including but not limited to open burners or flames. Charcoal grills, gas grills, deep fryers, incense, and or any flammable substances are not allowed on campus. Residents are not allowed to store or use highly flammable liquids (gasoline, propane, turpentine, kerosene, etc.) in their rooms or the Residence Halls.

Fire Alarms and Fire Equipment

According to North Carolina General Statute 14-286, “it shall be unlawful for any person(s) to wantonly and willfully give or cause to be given, or to advise, counsel or aid and abet anyone in giving, a false alarm of fire, or to break the glass key protector, or to pull the slide, arm, or lever of
any station or signal box of any fire alarm system, except in case of fire, or willfully misuse or
damage a portable fire extinguisher, or in any way willfully interfere with, damage, deface,
molest or injure any part or portion of any fire-alarm, fire-detection, smoke-detection or fire
extinguishing system. Any person violating any of these provisions of this section shall be
responsible of a misdemeanor punishable by a fine not exceeding five hundred dollars ($500.00),
imprisonment for not more than six months, or both". Students will also be subject to action by
University officials. Anyone found tampering with fire alarms, smoke detectors, fire extinguishers,
and/or other fire or safety mechanisms and/or building exit signs is fined a maximum of $500.00
and faces judicial penalty and /or civil prosecution.

Fire Drills and Evacuations

Fire Safety tests and drills are conducted in the Residence Halls. When the alarm sounds:

1. Close window, turn on room lights, open draperies or blinds.
2. Take a coat or blanket while exiting the room and wear shoes.
3. Close and lock room door.
4. Walk quietly and quickly to the appropriate exit.
5. When exiting the building, proceed to the designated meeting point:
   - Isenhour & Morgan: Stadium parking lot
   - Price Village: Intramural field
   - Fritz-Conrad: Area between Rhyne and Minges
   - LLC: Intramural field
   - 4th Street: Stadium parking lot
   - Hickory House: Sidewalks across street
6. Remain with other members of the floor or unit until a signal is received to re-enter.
7. Follow directions from the RA or other staff members who are in charge.

If there is a fire in the Hall:

1. Pull the fire alarm.
2. Report the fire’s location, what is burning, and the extent of the fire to the RD or RA.
3. If an RD or RA cannot be found, call the Fire Department by dialing either 8-911 or 9-
   911 from any campus phone. Give the 911 dispatcher specific instructions of where
   the fire is located. Because Lenoir-Rhyne University has its own phone system, caller ID
   on the 911 dispatcher’s screen will always list Lineberger as the location for the
   emergency. If time permits, call Security at x7146.
4. When the fire alarm is pulled, it does not automatically notify the Fire Department.
   This is why it is critical someone calls the fire department immediately.

Failure to exit the Residence Hall during an alarm is a disciplinary violation. Creating a false fire
alarm or tampering with fire safety equipment is a serious offense and may result in suspension
from the University.

Furnishings—Student Rooms and Common Areas

Furniture placed in lobbies, activity rooms, and study rooms is provided for the use of all residents and
may not be moved into a resident’s room or to other locations. Any resident provided room furnishings must be free standing and must not be attached or secured in any manner to the ceiling, floor, or walls of the room. No water furniture is allowed. Weight lifting equipment is prohibited. No University room furnishings may be removed from the room by the student. All student room furniture must remain in the student room no matter the occupancy of the room.

Gambling

In accord with North Carolina law, gambling is not permitted in the residence halls.

Health and Safety Inspections

The Residence Life Office will designate a period each semester to conduct residence hall room health and safety inspections. The purpose of this inspection is to promote a safe and healthy living environment.

Heat Producing Lights

Halogen lights, high intensity lights or any lights which produce heat or have a heating element are not allowed on campus.

Keys

Residence Hall room keys are the property of the University and must be returned when a resident moves out of a room. Failure to return a key will result in a $200.00 charge to change the lock. If a key is lost, the resident should report the lost key to the Resident Director or RA immediately. A $200.00 charge will be added to the student’s account for lost keys and may be reversed only if the key is found. Residents are responsible for their keys. DO NOT LEND KEYS TO ANYONE.

Lock-Outs

Residents are responsible for carrying their room keys at all times. If residents are locked out of their rooms, the residents should contact a Residence Life Staff member. If a student has to contact a staff member because of a lockout, a fee is charged for this service. The fee for a lock-out from 11:00am to midnight is $3.00. Lock-outs from midnight to 11:00am are $5.00.

Lofts

The University will provide lofting equipment for interested students. Residents leaving lofts in any form at the end of the school year or upon vacating a room will be fined. Lenoir-Rhyne University will not assume responsibility for injuries to students as a result of falls from or collapse of lofts.

Musical Instruments

The use of musical instruments, except acoustic guitars, is prohibited in the residence halls. Individual practices rooms are available in the Mauney Music building.
**Pets**

No pets other than fish held in tanks not larger than a 10-gallon capacity, are allowed in the residence halls. Fish must be removed from residence halls during Christmas and Spring Break. All students found with an unapproved pet on campus will be assessed a **$250 fine** and must remove the pet immediately. If the pet cannot be removed within 24 hours, animal control will be called.

If and only if the proper paperwork is approved with the Office of Disability Services and the Director of Residence Life, a student may be allowed to have a service/emotional support animal reside in their on-campus room. For details, see the Director of Disability Services.

**Property Liability**

The University does not assume any legal obligation or responsibility for injury to individuals, or loss or damage to personal property. Students are encouraged to carry appropriate insurance to cover any loss of, or damage to, personal property occurring in its buildings or on its grounds.

**Quiet Hours and Disorderly Conduct**

Quiet hour guidelines are established in order to respect the rights of others and to maintain an appropriate atmosphere for academic pursuits. Quiet hours are from 10:00 pm to 10:00 am Sunday through Thursday (this includes Friday morning to 10:00am) and 12:00am to 10:00am Friday and Saturday. During exam periods, Quiet Hours are in effect 24 hours a day beginning the night prior to Reading Day. Quiet Hours mean residents must maintain a very low level of conversation, noise, and TV volume during Quiet Hours. Consideration hours are all hours not designated as quiet hours. Consideration hours mean that noise must be kept at a level that is not disturbing to other residents. No student shall act in a manner that can reasonably be expected to infringe upon the privacy, rights, privileges, health or safety of other persons. Screaming/yelling anywhere in the Residence Halls is discouraged. Stereo speakers must be placed away from room windows, and the volume must be kept at a personal (not hall or building) level. Residents are responsible for contacting their neighbors whose behavior interferes with the resident's rights and develop a compromise. If residents cannot reach an agreeable solution, they should contact their RA or RD.

**Room Windows/Screens**

Residents may not remove the screens from their room windows or other Residence Hall windows at any time, nor take any action that may tend to damage the window or screen. In order to protect individuals who may be walking outside the residence halls, no objects of any type may be thrown, dropped, pushed out of, placed outside of, or hung from any residence hall window.

**Roughhousing/Fighting**

Athletic activities including, but not limited to, roughhousing, running, and/or throwing, bouncing, hitting, or kicking of objects is prohibited. Paint guns, water guns, water balloons, and water fights are prohibited in the residence halls.

**Sanitation, Trash Removal, and Recycling**

Students must maintain their rooms in a sanitary, orderly and safe condition. Residents are responsible for placing room trash in the dumpster located outside of each Residence Hall or apartment.
Security, Room and Building

All residents must take an active role in the security of their Residence Hall. Residents must follow guidelines regarding hall and room security:

- Do not lend keys and ID cards to anyone
- Report lost keys and ID cards to the RA or RD
- Always lock room door
- Make sure entrance doors to the Residence Hall lock as one enters and exits the building
- Do not use emergency exits unless it is an emergency
- Do not prop open exit doors
- Report incidents of vandalism, damage, or theft to the RA, RD or LR Security.

Tampering with Residence Hall locks (entrance and room doors) is prohibited. The definition of tampering includes but is not limited to: penny locking, taping, gluing, intentionally damaging, and picking. Such actions are subject to judicial action. Residence Life staff will not allow anyone into a room other than the occupant(s) of that room.

Smoking/Tobacco Use

Smoking (all forms) and all tobacco products are not permitted at Lenoir-Rhyne University. This includes all buildings and grounds.

Solicitation

Solicitation of any kind is prohibited in the Residence Halls. Student organizations may only fundraise in the residence halls with the approval of the Director of Residence Life after receiving an approved fundraiser permit from Student Life. Organizations violating this policy will face sanctions from the Dean of Students. Residents should report immediately to the Office of Student Life or Security anyone who may be in the Residence Hall selling goods or services.

Visitation

It is a fair expectation that every student may have opportunity for privacy in their room without the presence of members of the opposite sex. Residence Hall students may, therefore, have adult guests of the opposite sex visit in their residence hall rooms during the visitation hours posted in each respective residence hall or area.

Visitors

Visitors (student or non-student of the same gender or a different gender) to a Residence Hall must be escorted at all times by a resident of that Hall. All visitors of the opposite gender must be escorted from the Residence Hall before visitation hours end. Residents are responsible for the conduct of their guests at all times. The visitation policy applies to individual rooms and all public areas such as hallways and stairwells. Residents are responsible for reporting violations of the visitation policy to the Residence Life Staff.

Cohabitation

Cohabitation by members of either the same or opposite sex is not permitted in any of the
residence halls. A guest staying over an extended period of time and/or giving the impression that she/he is living with the host will be deemed a cohabitant. Cohabitation is defined as a guest staying longer than three consecutive nights and/or staying for three or fewer consecutive nights on two or more occasions during the same week. Failure to comply with this policy may result in sanctions and may jeopardize access to campus housing.

**Overnight Guests**

Overnight guests of the same gender may stay in a resident’s room for a maximum of two nights. Hosting a guest for more than two nights may be subject to disciplinary action. All guests must be registered in advance with the Resident Director. The guest policy applies to both L-R students and non-students. This policy is designed to accommodate the occasional visitor and not to provide temporary housing for students or non-students. The Residence Life Office reserves the right to determine whether a resident is abusing this privilege. Regardless of where or when a guest is on campus, the following guidelines apply:

1. All campus regulations apply to the guests;
2. The host/hostess is responsible and can be charged with University policy violations that guests commit (alcohol, damages, visitation hours, etc.).

If the situation warrants, the guests may be asked to leave the building or may be removed from campus.

**Minors Visiting Residence Halls**

Lenoir-Rhyne University Residence Halls welcome high school students visiting the University as guests of the Admissions office for sponsored functions. Lenoir-Rhyne students are responsible for their visiting underage siblings and must accompany them at all time. All other, non-Lenoir-Rhyne students under the age of 18 are not permitted in campus residence halls. Visitors to Lenoir-Rhyne Residence Halls over the age of 18 must be accompanied by a resident of that building at all times.

**SECTION 7: STUDENT GOVERNMENT ASSOCIATION**

The Student Government Association (SGA) works for, with, and on behalf of the student body of Lenoir-Rhyne. Through elected or appointed students it is involved in virtually every aspect of the campus from governance to activities. Any person enrolled as a student is a member of the Association and, thereby, has a right to take part in the programs and activities of the Association both as leader and participant.

**SECTION 8: STUDENT CONDUCT AND GRIEVANCE PROCEDURES**

It is commonly recognized that members of any community are granted particular rights and; as rights are granted to a community, responsibility is required of the individual members. Lenoir-Rhyne University
is no different. Each member of the community is responsible for upholding the values central to LRU’s mission, the values of excellence, integrity, care, and curiosity. The valued principle of integrity; however, requires community members to take personal responsibility for their words and actions. LR’s University Judicial System is designed to support this principle through consistent procedures and appropriate sanctions when necessary.

(See the full version of the University Student Handbook, *The Cub*)

SECTION 9: THE ACADEMIC INTEGRITY SYSTEM

All contributors to Lenoir-Rhyne University—students, faculty, staff, and administrators—are charged to support and to cultivate the principles established in our honor commitment and statement of academic integrity. The Academic Integrity System promotes an educational community based upon honesty, personal and social responsibility, and honor. Each participant in this community must understand that it is her/his responsibility, individually and collectively, to uphold the values of academic integrity at Lenoir-Rhyne University and that all forms of dishonesty profoundly violate these values.

Lenoir-Rhyne University seeks to cultivate continually a learning community in which integrity may flourish. To these ends, the University seeks to define academic dishonesty, to establish standards and expectations of action, and to develop and utilize consistent and reasonable processes for adjudication of any violations of these values.

SECTION 10: CAMPUS INFORMATION

Within any close knit community, there are particular words or phrases that members come to acknowledge are acceptable for use. Lenoir-Rhyne is no different. You may find the following terms used to refer to people, places, or things around campus.
